The Board of Directors of Godrej Agrovet Limited (“**the Company**” / “**GAVL**”) being one of the top five hundred listed companies as per the market capitalization as on the last day of the immediately preceding Financial Year, frames this policy to comply with the requirements of the Regulations.

The Company proposes to adopt a Dividend Distribution Policy that balances the dual objectives:

- a) Appropriate reward to Shareholders through dividends and
- b) Ploughing back earnings to support sustained growth.

2. BACKGROUND

Dividend is the payment made by a Company to its Shareholders, usually in the form of distribution of its profits. The profits earned by the Company can either be retained in business for acquisitions, expansion or diversification or it can be distributed to the Shareholders. The Company may choose to retain a part of its profits and distribute the balance among its Shareholders as dividend. This Policy aims to reconcile between all these needs.

The Company recognizes the need to lay down a broad framework for considering decisions by the Board of Directors, with regard to distribution of dividend to its Shareholders and/or retaining or ploughing back of its profits. Declaration of dividend is one of the key financial decisions of the Company, forming part of the overall strategy for efficient allocation of capital as well as increasing shareholder’s wealth. The Company shall post this policy on the website of the Company (www.godrejagrovet.com).
